Peninsular rivers and the Himalayan rivers for Transfer of water from presently assessed surplus basins to water deficit basins for the optimum utilization of water resources. The Government of India has established the National Water Development Agency (NWDA) as an Autonomous Society in July 1982 to carry out the water balance and other studies of the National Perspective Plan. Under the Peninsular Component of the National Perspective Plan, NWDA has a proposal of diversion of west flowing rivers to benefit the deficit/drought prone areas of Karnakata through the Bedti-Varda and Netravati-Hemavati Links. The pre feasibility reports of the above links have already been completed by NWDA. As per the prefeasibility reports, the irrigatation benefits to Karnataka State from Bedti-Varda and Netravati-Hemavati links are 60,000 hectare and 34,000 hectare respectively.

Inter-State water disputes
